A BILL

---

BILL HISTORY

Since 1986, Wardenburg Student Health Service and the UCSU Joint Health Board have funded the annual Campus Classic 5K running race. However, this years budgeted amount of \$2,000 will fall considerably short of what is necessary to put on a profitable road race.

Last year the race was to benefit the Community Health Peer Educator programs, but the race lost \$500, leaving no money for the beneficiary.

Throughout the 1989-90 budget cycle, the Psychiatry clinic of Wardenburg was found to be in desperate financial need. This year, Health Board would like to do everything possible to stimulate that cost center. Therefore, the fifth annual Campus Classic 5K will benefit the Psychiatry Clinic. It is imperative to earn a profit this year so that the Psychiatry clinic will truly benefit from the race.
