A RESOLUTION

WHEREAS: Andy Medina was elected as a UCSU Tri-Executive in April, 1990; and

WHEREAS: Mr. Medina was found by the Registrar to have been a CU-Boulder student, and therefore, a valid candidate for Executive in Spring 1990; and

WHEREAS: Before Mr. Medina was cleared of any and all election fraud, some members of Legislative Council Session 33 made statements based upon assumptions concerning Mr. Medina as inferring a UCSU opinion.

WHEREAS: Though extensive media coverage and speculation surrounded Mr. Medina's non-student status, news surrounding Mr. Medina's legitimacy as a candidate was sparsely reported.

BE IT RESOLVED by the Legislative Council of the University of Colorado Student Union, THAT:

SECTION 1: UCSU Legislative Council, Session 34, formally recognizes that Andy Medina was a valid candidate for Executive in Spring 1990.

SECTION 2: UCSU Legislative Council shall distribute this resolution, through the UCSU Public Relations Director, to all distributors of the Boulder and Denver media in radio, newspapers, or televised form. The President and Vice-President Pro-Tempore shall be designated as the only contacts for information surrounding this resolution or Legislative Council actions on this issue.

SECTION 3: UCSU recognizes that Andy Medina is an equal member of the University of Colorado Student Union, and is discerning of equal opportunities to pursue his education, enjoy CU Student life and/or serve his fellow members of UCSU through elected or appointed
