A BILL

BILL HISTORY

The Impaired Hearing Education And Resources (I.H.E.A.R.), club of the University of Colorado at Boulder, is open for membership to any deaf, hearing impaired, or hearing person who wishes to join.

This very active group has been involved with furthering opportunities for the hearing impaired students, faculty, and staff within the University and Boulder community. They have provided interpreters for many campus events.

Because of communication difficulties, the fiscal year deadline for spending was missed. Funds for I.H.E.A.R. are allocated by ASSG. These are part of the Local Schools monies. With the current situation, CCS has the opportunity to decide the fate of these monies after the end of the fiscal year.

The Student Organizations Finance Office asked Ed Batchelor, Arts & Sciences Executive, if CCS could allow this error to be corrected by allocated the amount from the Local Schools pool. After consultation with Jon Tsuda, Tony Spano and Ed Batchelor were advised to allocate this money special order and return on July 25 to decide on a policy to be implemented for Local Schools monies in the future.
