A BILL

BILL HISTORY

Bills and resolutions brought to the UCSU Legislative Council often refer to past legislation, letters, and other documents. Often this causes confusion when representatives are not able to view the documents referred to in the bill or resolution.

By amending the By-Laws to give responsibility to sponsors for providing all documents that are referred to in their bills and resolutions, this bill shall save time and eliminate some confusion.

BILL SUMMARY

This bill will amend UCSU By-Laws to add a section under responsibilities for legislation sponsors that calls for the sponsor(s) to provide all necessary documents that are referred to in their bill or resolution.

---

BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT:

SECTION 1: Article III.A.11.d.vi. shall be added to the UCSU By-Laws and read as follows:
