A BILL

BILL HISTORY

The American Marketing Association International Collegiate Conference will take place April 9-11, 1992, in New Orleans, LA. This is the 14th annual conference of the American Marketing Association. The members of CU's chapter of the AMA (referred to as CUAMA) have been working hard to send the newly elected officers of the club to this years conference. This conference provides CUAMA leadership with information and ideas to improve the local chapter. Activities offered at the conference include seminars on fundraising, recruiting, and programming ideas. By sending five representatives we hope to solidify and improve CUAMA's presence on campus and offer more and better opportunities for our club members. CUAMA is a student organization open to CU students of all majors.
