BILL HISTORY

Since 1931, the Alpha Iota chapter of Kappa Kappa Psi, National Honorary Band Fraternity, has served the bands of the University of Colorado. Kappa Kappa Psi exists for five purposes: to promote the welfare of college bands, honor outstanding band members, develop leadership, provide worthwhile social activities for band members, and encourage strong positive relations between college bands when they meet.

The Alpha Iota chapter at CU provides many services, including: hosting receptions for concert ensembles, staffing key positions in Cu Band Day, providing "get acquainted" activities for Band Camp (a great service for new CU students), establishing funds to commission an original composition for band, staffing summer "phone-a-thons" to gain new members for all CU bands, and helping the Department of Bands with mailings.

The Kappa Kappa Psi Midwest District Convention will take place March 27-29, 1992 at the University of Kansas. Two district officers (out of five) are from CU, and CU is recognized as an outstanding school in the district. At the convention, members will gain new ideas for service projects, recruitment of band members and fund raising, as well as share ideas that have worked well at CU.

Last year, the Council of Colleges and Schools funded Kappa Kappa Psi with \$559.00. This year, the request has been reduced to \$494.00.
