Authored by:                      SHPES President                      Joe E. Martinez  
   SHPES ACE Coordinator                      Marc J. Cordova  
   SHPES AES Representative                      Nicole Harlan  
   A BILL

---

BILL HISTORY

The Society of Hispanic Professional Engineers and Scientists (SHPES) will be sponsoring its 14th Annual Hispanic Career Conference in Phoenix, Arizona on February 13-15, 1992 at the Omni Adams Hotel. The conference will feature career and technical workshops that range from interpersonal skills to time management. Along with the workshops, the conference will host a career fair with representatives from dozens of major corporations.

The University of Colorado-Boulder chapter of SHPES has recognized the importance of this educational opportunity and plans on sending fifteen of its members in hopes of networking and establishing working relations with other student chapters. Furthermore, we feel our presence will shed light on the University and its premier engineering school.

In order to reduce our expenses, SHPES has decided to travel by rental van instead of flying. This will allow more SHPES members to benefit from this conference. From fund raising events and corporate donations we have received a majority of the funding to pay for hotel accommodations, food and registration. We are therefore asking CBS to help pay for our transportation costs.

---

BILL SUMMARY

To allocate \$750 + GAR from the Council of Colleges and Schools Central Reserve account #1391202 to help cover transportation expenses for fifteen SHPES student members to attend the 14th Annual National Career Conference in Phoenix, Arizona, February 13-15, 1992.

---
