36 Legislative Council Bill #18

UNIVERSITY OF COLORADO
STUDENT UNION

A BILL

BILL HISTORY

NightRide/NightWalk can be used by calling 492-SAFE. In the past this phone, located in Norlin, had multiple-phone lines to accomodate several calls at once. However, in the last two years this service has been discontinued, for reasons unknown.

With the activity that goes on during the different shifts and during shift changes, occasionally the volunteers forget to forward the phone to Voice Mail.

Because the frustration a student may feel trying to get through to the NightRide/NightWalk desk, can potentially keep people from using the service, the NightRide/NightWalk Co-Directors feel that expanding our phone service will make NightRide/NightWalk more accessable to the students and keep people using the service.

BILL SUMMARY

This bill will allocate \$75.00+GAR from Legislative Council account #1391120 to pay the initial installation fee of increasing the NightRide/NightWalk phone service.
