A BILL

BILL HISTORY

All current bills include a section requiring that all students who receive funding from UCSU Legislative Council must submit a written report "pursuant to 24ECB#4." This bill was originally passed on November 14, 1985.

26 ECB#21 was passed on February 5, 1987. It stated:

"In the past, Council has sponsored many students to attend educational conferences and workshops. While most participants promise to reach out to the student body and share their experiences, very rarely do we see results. Council has recently amended many such bill to include (sic) a section requiring the writing of an editorial by the participant. This legislation will formalize this requirement and make the editorial mandatory."

Over time, the mandate of 26ECB#21 has fallen by the wayside while 24ECB#4 has continued as our standard. These bill were passed 5 and 7 years ago, respectively, which make it necessary that these "laws" be reviewed and updated.
