37 Council of Colleges and Schools Bill #1

University of Colorado  
Student Union

A BILL

---

BILL HISTORY

At the beginning of the 35th session, the Council of Colleges and Schools initiated a textbook survey to determine possible ways to counteract the high cost of textbooks. CCSB 35 #6 allocated \$300 to do the survey.

Currently, the report resulting from the survey is near (or is at) completion. Just doing a survey is not enough. The information needs to be spread across the university to student leaders, faculty and administrators.

Unfortunately, 35 CCSB #6 did not allocate any money for results to be published. This bill accomplishes that purpose.
