BILL HISTORY

Delta Sigma Pi is a professional co-ed fraternity organized to foster the study of business in universities. Our chapter is open to all business students who wish to learn more about the business community, professionalism, and business ethics through speakers, fundraising activities, and philanthropy projects. Our membership represents a large variety of majors who are also members of many other organizations. Last year, the Boulder chapter of Delta Sigma Pi was named the Most Outstanding Chapter of 169 active chapters throughout the United States.

As part of this dedication to excellence, Delta Sigma Pi would like to send 25 of its representatives to our regional convention held in Tempe, Arizona scheduled for September 25-27. Our members will have the opportunity to attend workshops, speakers, and will meet with other business students within the region. Members will gain leadership, communication, and organization skills. As one of the largest and most prominent organizations in the Business School, student leaders attending the convention will help strengthen not only the chapter, but the Business School and its students as well.
