BILL HISTORY

National Voter Education Day is a nationwide event initiated by the national Civic League and the Center for Policy Alternatives. The goal of NVED is to register and educate student voters all across the country.

The planning committee, made up of members of UCSU Executive Staff, CU College Republicans, CU College Democrats, the Environmental Center and CU-NARAL, has decided to expand the program and host a Voter Education Week from September 28-October 2. Highlights of the week include candidate and ballot initiative information, noontime speeches by Governor Romer and Schools for Choice representatives and voter registration drives at the UMC, various residence halls and the Business and Law Schools. Also, UGGS will be holding a Regental candidates' debate during the week.

Voter Education Week is a great opportunity to encourage students to vote and to get involved in the political process on the local, state and national levels.
