A BILL

BILL HISTORY

The University of West Florida is sponsoring a Women's Conference July 9-15 at the Sheridan Hotel in Pensacola, FL. The conference will feature a variety of speakers addressing topics such as The Political Environment for Women in the 90's, Women's Sexuality, Understanding Women's Communication Dynamics, and Building Stronger Networking Skills Among Women. (See attached registration sheet for other topics.) Along with the workshops the conference will hold women's caucus' each day to promote networking, political and communication skills.

As President of the Ethnic Women's Alliance I would like to attend the conference because I feel that such opportunities lend to the learning experience for the individual, as well as, allow me to share the learned skills and ideas from the conference with interest campus groups. For many years I have volunteered a great deal of time and effort to efforts addressing ethnic minority and women's issues. The few conferences I have attended have greatly enhanced the participation I have had with campus groups and events. Furthermore, this conference will provide an opportunity for networking with other campus groups from around the country.

I am asking for money from UCSU in order to attend this event. I am depending on the support of UCSU and appreciate your consideration of this bill.
