A BILL

BILL HISTORY

The Deaf and Hard of Hearing Alliance Club (formerly IHEAR Club) has been going on an Annual Retreat for more than five years. We are a student group made up of Deaf and Hard of Hearing students. The Club has constant group size of about 10-15 at its weekly meetings to discuss current going-ons in school, and strategy sessions to improve the relationships between students and the people who work here. The Retreat has been an "ice-breaker" for previous students and new students at Estes Park Glacier Lodge.

The retreat is open to any student, staff, faculty, or community person who want to sign and communicate with Deaf people. We commonly have students from the American Sign Language (ASL) classes come with us. It benefits the new students in ASL usage and opens up a continuing dialogue between the Alliance and the community as a whole. Many of the past students who have attended our Retreat often say that they have changed their opinion of Deaf people.
