A BILL

BILL HISTORY

The University of Colorado Engineering Council is the governing board of the College of Engineering and Applied Science and is comprised of representatives from various societies and groups within the college plus reps at large. The 9th Annual National Engineering Student Council (NESC) will be held this year at Purdue University in West Lafayette, Indiana on October 22-25, 1992. This conference is instrumental in promoting leadership growth and communication among student leaders.

Seminars are presented by corporations and plant tours of local industry will be given, plus a motivational speech given by John Cassis, the inspirational speaker for the Chicago Bears.

Because the conference consists of several seminars that happen simultaneously, we wish to send 4 delegates.
