A BILL

BILL HISTORY

Last year, Wardenburg Student Health Services held the second annual Substance Abuse Awareness Week. It was a great success, focusing on education about alcohol and drug abuse, with an emphasis on wellness and awareness rather than prohibition. This year we have expanded the focus even more, to include both legal and illegal drugs, tobacco, and many specialty workshops. This event has always been well received. In 1988 and in 1991, the week was awarded a certificate of merit for honorable mention out of over 100 applicants from the National Collegiate Alcohol Awareness Week Committee.

For the past two years, Legislative Council has funded the advertising portion of this event. Last year, Legislative Council allocated \$1575.50 for campus-wide promotion of the week.
