A BILL

BILL HISTORY

2 This fall, KUCB and AIR Board attempted to place a referendum on  
the 1993 Fall ballot to ask whether or not students would approve  
4 additional student fees for making KUCB a full-powered radio  
station. The bill failed, which leaves the question unanswered.

6 In response to this need for information, Robert Bartsch has  
offered to construct a survey to answer this question. (A rough  
8 draft of the survey will be available on Tuesday and a final draft  
will be available on Thursday.)

10 This bill provides the money necessary to copy the survey. By  
12 having this survey, Legislative Council and AIR Board will be able  
to better plan for any future expansion of KUCB.
