A BILL

BILL HISTORY

The 1993 UNAC (United North American Conference) will be held in Guadalajara, Mexico from November 10th to 15th. This conference is held for students from the United States, Mexico and Canada to come together and discuss relevant issues pertaining to the North American Free Trade Agreement. This will be an excellent opportunity to send two of our local representatives from AIESEC Colorado to participate in this conference.

Four years ago AIESEC Colorado started UNAC, and it was held in Denver for two years in a row. The third year it was held in Austin, Texas.

By attending these meetings our members are able to gain knowledge on the international economy and business issues. A prominent leader in the NAFTA negotiations, President Salinas of Mexico will be a speaker at the conference. Also, it is extremely important that AIESEC Colorado have representatives at this conference to show our support for an initiative that we began.

The primary cost of attending this event is airfare. Therefore, AIESEC Colorado is requesting \$750.00 of student union funds in order for us to attend this conference.
