A BILL

BILL HISTORY

According to 34CCSB#16, Local School Fund Balances roll over to the Council of Colleges and Schools Special Events account. Also, according to 34CCSB#16, the monies in the Special Events account are to be disbursed to various "special events". The hearings for this funding is slated to occur at the beginning of the Fall semester. Unfortunately, this year the normal funding cycle did not occur. This bill, staying within the spirit of the past legislation, declares an emergency funding cycle in order to return the account to specified levels.
