

## Referendum

August 13, 1998

Passed Special Order

10-3-0

Paper copy on file in UCSU office.

---

Bill places a referendum on the Fall 1998 UCSU election ballot that will, if passed by at least 2000 students voting in favor, amend the UCSU constitution to lower the 25% to 15%, requiring a 15% vote in favor and in the majority for student fee increases of over 1%. It also prevents Legislative Council from overruling a vote of this nature.
