50 Legislative Council Bill #10

UNIVERSITY OF COLORADO
STUDENT UNION

A BILL

BILL HISTORY

UCSU cost centers and UCSU fee funded organizations are not required to submit the budget approved by Finance Board to Legislative Council during Council’s budget hearings. This is counter to the role Finance Board plays within the UCSU organization. Budgets presented to Council should represent the work of Finance Board, since Finance Board has considered the advice of Council on changes to the overall student fee package.

BILL SUMMARY

This bill requires UCSU cost centers and UCSU fee funded organizations to submit the budget approved by Finance Board to Legislative Council. Further, if a cost center or UCSU fee funded organization wants, it may include a separate request for additional initiatives or fund requests.

BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT:

SECTION 1: UCSU cost centers and UCSU fee funded organizations will submit the budget approved by Finance Board to Legislative Council.

SECTION 2: Additional proposed changes to the budget approved by Finance Board must be attached separately.

SECTION 3: A UCSU fee funded organization is defined as any recipient of UCSU student fees that is required to report to Finance Board, but is not considered a cost center.

SECTION 4: This bill takes effect upon passage.
