   **Craig Welling**                                      **Chief Justice**

---

**A Bill**

---

**Bill History**

This bill may be known as the Second UCSU Election Code Amendment Act of 2000. Further amendments are necessary to the UCSU Election Code, Revised. This bill addresses several instances of unparallel construction in the Code. Legislative Council during the Summer of 1999 intended to remove all regulations on e-mail. We removed one statement of this intent but failed to remove another. This bill corrects that problem and directs the Election Commissioner to tell all candidates at the Spring 2000 Candidate’s Meeting that UCSU will enforce no restrictions on e-mail during the campaign.

---

**Bill Summary**

This bill further removes Election Code restrictions on e-mail and provides a new way to clarify structural problems before the election.

---

**THEREFORE, BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT:**

**SECTION 1:** Strike the last sentence of Article VI, Section 8.8 of the UCSU Election Code, Revised.

**SECTION 2:** The UCSU Election Commissioner in the Spring 2000 Mandatory Candidate’s Meeting will direct all candidates that UCSU will impose no restrictions on e-mail during the campaign.

**SECTION 3:** Add new sub-section Article IV, Section 3, “Legislative Council, upon discovery of wholly structural problems with the Election Code may pass amendments to the Election Code in the ways proscribed by the Election Code, and add these changes as an addendum to the Election Code by the time of the Mandatory Candidate’s Meeting.” These changes will take regular effect with the next edition of the Election Code as defined by the Election Code itself.”

**SECTION 4:** This bill takes effect upon passage, and does not require executive signature for enactment.
