A Bill

Bill History

Currently there exists no complete, accurate, and updated Joint Board members list. Nor does there exist an explicit procedure for how such a list is to be created and maintained. The purpose of this bill is to initially define these boards and to then create a mechanism for which the member lists may be revised as the composition of the boards change. Initially, all chairmen of the various Joint Boards must submit a members list, both voting and ex-officio, to the Legislative Council President. The President will transfer these lists to the UCSU office manager whose task it will be to organize the lists and keep them on record. Once the initial lists have been created, the Chairs of the Joint Boards must report all resignations, recalls, removals, vacancies, appointments or any other changes that affect the boards to the Legislative Council President within seven days. The President will notify the UCSU office manager who will promptly update the joint board members list.

This bill establishes the protocol for creating and maintaining a comprehensive Joint Board members list. This includes voting and ex-officio members of, but not limited to, The Finance Board, The University Memorial Center Board, The Cultural Events Board, The Student Health Board, The Environmental Board, and The Recreation Board.

THEREFORE, BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT;

Section 2: Establishes that resignations, recalls, removals, vacancies, appointments or any other changes that affect the boards be reported by the Chairs of the Joint Boards to the Legislative Council President within seven days.

Section 3: Delegates the responsibility to the UCSU office manager to collect and organize the Joint Board members lists as given by the Legislative Council President, so that they may be on record in the UCSU office at all times.
