**Bill History**

It is the tradition that the legislation that the Legislative Council of the University of Colorado Student Union passes is filed away in a notebook. Unfortunately, once a new legislative session begins, the new legislators rarely touch these notebooks. The bills represent new policy for UCSU proper as well as the various Cost Centers and the laws that are enacted are often forgotten. Members of the Legislative Council should have a firm grasp on the policy that has been set before them in order to better make future policy. It is unrealistic and an unnecessary waste of time to expect bills from previous sessions to be diligently perused by the members of Legislative Council.

**Bill Summary**

The members of Legislative Council require a compilation of the laws that they are subject to as members of the University of Colorado Student Union. This bill mandates that the passed bills from the 48<sup>th</sup> session through the future sessions be compiled into an ongoing document to be given to each new University of Colorado Student Union legislator.

---

**THEREFORE, BE IT ENACTED by the Legislative Council of the University of Colorado Student Union, THAT:**

**SECTION 1:** The office managers of UCSU proper will compile the laws, excluding by-law changes, passed from the 48<sup>th</sup> through the 54<sup>th</sup> sessions of the Legislative Council into an indexed paper document.

**SECTION 2:** The document will be updated at the end of each session of the Legislative Council and distributed to all members in the new session.

**SECTION 3:** This bill takes effect upon passage.
