Committee Appointments Bill

BILL HISTORY

In previous sessions of the UCSU Legislative Council, the president has exercised the power to appoint committee membership. While this has established a precedent, it continues to be in direct violation of the UCSU governing documents. This bill seeks to rectify the aforementioned discrepancy.

BILL SUMMARY

The Legislative Council has traditionally used method c) Nominations by the Chair found within Robert's Rules ~~Rules~~ of Order Newly Revised 10th Edition.

THEREFORE BE IT ENACTED by the University of Colorado Student Union Legislative Council, THAT:

Membership must be ratified by the Legislative Council."

Section 2: Article VI § B (2a) of the UCSU Bylaws shall henceforth read, "The appointments committee shall consist of five members chosen from the Legislative Council. The method of committee appointment shall be "Nominations by the Chair" as outlined in Robert's Rules of Order ~~Newly Revised 10th Edition~~ most current edition. Membership must be ratified by the Legislative Council."

Section 3: Article VI § B (3a) of the UCSU Bylaws shall henceforth read, "The Rules Committee shall consist of up to ten members chosen from the Legislative Council.
