A Bill to Transition the Start date of the Homecoming Chair Position

Bill History

Last year, CU Student Government decided to improve the experience of Homecoming for CU students by enhancing the fiscal budget for the week of events. This bill would seek to begin providing structure to sustain Homecoming for the future. As currently constructed, the executive staff member tasked with planning Homecoming does not have adequate time to prepare for the week of programming held during Homecoming, nor does their start date facilitate a path towards sustaining the future of the event. As such, the success of the event is hindered by the position start date and length.

Bill Summary

This bill alters the position start date for the executive staff member tasked with planning Homecoming to after January 1st and no later than 1 month after the Spring semester class start date. The student position would then run January to May (transition

completion, approximately 1.5 years total) in order to aid in the transition of Homecoming.

Whereas, Research shows that involvement on campus leads to increased retention;

Whereas, University of Colorado Student Government is committed to enhancing the student experience of Homecoming at CU Boulder;

Whereas, the executive staff member tasked with planning Homecoming is integral to the success of Homecoming;

Whereas, having the executive staff member tasked with planning Homecoming work Spring and Summer months is necessary to sustain the planning of the week's events.

THEREFORE, BE IT ENACTED by the Legislative Council of the University of Colorado Boulder Student Government, in a simple majority THAT:

Section 1: The incoming executive staff member tasked with planning Homecoming will be filled no later than one month after the start of spring classes.

Section 2: The outgoing executive staff member tasked with planning Homecoming's term will end the same semester in which the incoming executive staff member tasked with planning Homecoming is hired.

Section 3: This bill shall take effect upon passage by the Legislative Council and upon either obtaining the signatures of two Tri-Executives or the lapse of six days without actions by the Tri-Executives.
