

owners, Boulder Business Improvement Board, Boulder Arts Commission, and others. While the Urban Land Institute Technical Advisory Panel compiled a report of the working group's ideas to foster a positive collaboration between the University and the community, the project has not moved forward since that time.

The University Hill Innovation District will build on the qualities of the Hill commercial district (creativity, youthfulness, and energy) to transform the Hill into a focal point for creativity and innovation in the broadest sense. The vision for the Innovation District is an area that embodies the creative process and fosters a dynamic culture of innovation, interaction, inclusion, experimentation and vibrancy within the Boulder context.

Resolution Summary

This resolution solidifies CUSG support to develop the University Hill Innovation District, including a collaborative student workspace.

BE IT RESOLVED by the Legislative Council of the University of Colorado Student Government , THAT:

Section 1: The University of Colorado Student Government, on behalf of the student body, hereby supports the University Hill Innovation District.

Section 2: Upon passage the contents of this resolution will be communicated to the CU Student Body and surrounding Boulder community through the most effective means possible in order to bring attention and visibility to the project and gather additional feedback from constituents and community members alike.

Section 3: This bill shall take effect upon passage by the Legislative Council and upon either obtaining the signatures of two Tri-Executives or the lapse of six days without action by the Tri-Executives.
