A Bill to allow CU Student Academy of Audiology their SGFB allocation

Bill History

The Student Group Funding Board (SGFB) as described in Section 102 of its code is 'responsible for allocating operational funds to registered student groups.' As such, it is the purpose of this bill to attain approval for the budgets student groups have submitted and allocations the board approved. The student group CU Student Academy of Audiology and Associated General Contractors' allocation was not included in the total SGFB allocation budget, therefore it was not included in the \$701,137.52 amount approved by Legislative Council on August 15th, 2013. In Section 703 of the SGFB code titled 'Legislative Council Approval,' the board is required to obtain Legislative Council's approval of the total budget before the allocations can be disbursed. This bill is therefore put forth for council discussion and approval.

Bill Summary

The SGFB seeks approval for the student group CU Student Academy of Audiology and Associated General Contractors combined total allocation of **\$30,602.50**.

THEREFORE BE IT RESOLVED by the University of Colorado Student Government that:

SECTION 1: The Legislative Council hereby authorizes the allocation of the total amount as enumerated in Appendix A (**\$30,602.50**), herein attached as referenced.

SECTION 2: This bill takes effect immediately upon passage by Legislative Council, with the allocation to being given out for the 2013-2014 fiscal year.
