A resolution to recognize the service of former Recreation Services Director, Cheryl Kent

Resolution History

On July 19th, 2013, Cheryl Kent retired from her position as the director of recreation services. She served as director for 5 years. Cheryl sparked a student movement for renovating the CU Recreation Center in 2010 that led to the largest turnout in CUSG history in the Spring elections of 2011. Under her direction, Recreation Services has embarked on the renovation project that has been extraordinarily successful thus far; achieving its program plan goals within budget and on an extremely tight schedule.

The renovation project was only one of many accomplishments during her tenure. She grew the programs within the recreation center such as the Be Fit pass and Intramural

Sports. She also increased the recreation center's communication with students and ensured customer service was the highest priority.

Beyond her accomplishments within Recreation Services, she also served as a mentor for countless student leaders within CUSG, modeling leadership and empowering students to advocate for a healthier campus environment.
