A Resolution to Support Munch Money in the UMC

Resolution History

Over the summer, CUSG, RHA, and Housing and Dining were involved in conversations about bringing Munch Money into the UMC. The conversation ended late in the summer after CUSG did not take the proposed deal from Housing and Dining to take over UMC food and catering. While the conversation stalled after the denial of the bill, the CUSG Tri-Executives are still interested in bringing Munch Money to the UMC. In February of 2014 RHA passed a resolution in support of bringing Munch Money to the UMC. The resolution passed by acclamation.

Resolution Summary

This resolution supports the use of Munch Money in the University Memorial Center (UMC). This new program will enhance the UMC's foot traffic as well as give students more of choice.

Whereas, Munch Money in the UMC would increase foot traffic through the building.

Whereas, by allowing Munch Money in the UMC, it will give students more choice in food options around campus.

Whereas, by adding Munch Money in the UMC, students, especially first-year students, will be more likely to come into the UMC for food as upperclassmen.

Whereas, infrastructure to support the use of Munch Money already exists in the UMC, therefore there would be no additional costs for infrastructure to support the use of Munch Money.

THEREFORE, BE IT RESOLVED by the Legislative Council of the University of Colorado Boulder Student Government, THAT:

Section 1: The Legislative Council and CUSG will formally support the use of Munch Money in Alfred Packer and Baby Does.

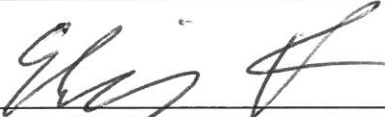

Section 2: CUSG proposes a 35% share of the revenue that will be maintained by the UMC to cover the cost of goods and 65% will be returned to Housing and Dining Services.

Section 3: Upon passage, this resolution will be distributed to Housing and Dining Services to show students support for Munch Money in the UMC and will be used to re-start conversation between Housing and Dining, CUSG, and RHA about the implementation of Munch Money in the UMC.

Section 4: This resolution shall take effect upon passage by the Legislative Council and upon either obtaining the signatures of two Tri-Executives or the lapse of six days without action by the Tri-Executives.
