A Bill to Use Microsoft Outlook for CUSG Business

Bill History

Previous legislation encouraged CUSG to utilize Gmail for CUSG-related work. Previous administrations have tried to switch us to Outlook with no success. This year, the Tri-Executives began discussions about switching CUSG email use to Outlook from Gmail, but that never came together as other things took more salience in their agenda. After hearing about concerns over transparency and wanting to remain as transparent in everything as possible, this bill is being presented to Legislative Council.

Bill Summary

This bill mandates that CUSG switch to Microsoft Outlook to handle all CUSG Proper-related business.

Whereas, transparency is one of the most important qualities of any organization;

Whereas, Microsoft Outlook allows for more transparency by automatically archiving emails;

Whereas, automatic archiving is important to making sure future students and others are able to look back at the totality of any CUSG Proper action, including emails and communication;

THEREFORE, BE IT ENACTED by the Legislative Council of the University of Colorado Boulder Student Government, THAT:
